sit BY MY - SELF Of - ten times I search to bor - row Just a  
glimpse of the past for a - while And I  
know in my heart That I may con - front some sor - row But I  
go un - a - fraid and I smile For the  
mo - ments I re - mem - ber Are the heart - beats of my years And I'm  
warmed by my smiles and my tears The
