♩ = 108 *Ad lib.*

WHEN ALL THE WORLD IS YOUNG my love

All the trees are green And

eve - - - ry lad's a King my love And

eve - - - ry lass a Queen But

when the world is old my love All the

trees are brown. All the wheels that

spun my love Will be run - ning down

But old or new My love for you Will

last 'till the last song is sung For we have

found our youth my love And we have found the

truth my love And all of life will smile for

us WHEN ALL THE WORLD IS YOUNG.
