Why don't you get wise get up and get out
Get rid of that frown that's been drag - gin' you down and get

try So get out of your rut
Be ab - le and strong Give vent to that in - tent you've had
pent up for so long Come on come on up and see
What it's like be - in' out where you're free Just
1. do some - thin' that's real u - nique DO SOME - THIN' THAT'S

NEW NOW!
