The Christ - mas lights The can - dy canes The rib - bons on the
tree The tin - sel and The a - corns make our
tree a joy to see Next a ray of
moon - light Lac - es an - gel hair And
hol - ly wreath and mist - le - toe Are sprin - kled here and
there There's chest - nuts and there's ber - ries that are
strung with color - ed string And all a - round there's
Christ - mas and the spir - it Christ - mas brings And
now our tree is glow - ing With a
'radi - - - ance' from a - bove Be -
cause up - on the ver - - - y top there
shines the star of love Be -
